Ms. Butler
8th Grade ELA
Columbus Middle School

DEAR 810 FAMILIES,

Testing for this week will be concluded on Friday. Testing will resume on Monday, 2 May. Due to a few hiccups, the testing schedule has been modified. If you have any questions, please contact the office, or email me with any concerns.

Some eighth grade students believe "school is over." Parents, school is not over, classroom etiquette is yet urgent and necessary. I find it hard to believe that parents are sending students to school ill equipped - without school materials. In addition, students are out of uniform. Please ensure your student is properly dressed. Eighth graders are headed to high school, please encourage them to set the example for the younger students.

Your assistance is truly appreciated.

Ms. L.W. Butler
