ELA Reading and Writing tests are behind us unless a student has to makeup a missed test. Math and science tests will be taken this week with all makeup tests given during the week of May 9-13. Also, remember our class graduation is May 20th. I will be sending more information soon. Enjoy these last few weeks at CMS.

Remember: Bring charged laptops daily,
get a good night's rest, eat a nutritious breakfast,
and get ready to SHINE!
